

Calling rural BC residents to participate in a 20-25 minute online survey for a chance to win one of three \$100 or a \$400 pre-paid Visa card!

This study is being done by researchers from UBC. The study is called "**Rural and Remote Communities' Technological Usage during Covid-19 Pandemic**". Your participation will help determine the impact of COVID-19 on rural communities. Because this survey is related to the COVID-19 pandemic, if you are not comfortable with this topic, you need not participate: we understand.

The survey is collecting responses until June 30. **ALL rural BC community members 19+ years can participate.**
